Re: Renewal of DBE Certification – Anniversary Date: Annually on February 8

Dear Mr. Saia:

We are pleased to inform you that your firm has been found eligible to continue as a Disadvantaged Business Enterprise (DBE) by the New Jersey Department of Transportation on behalf of the New Jersey Unified Certification Program (NJ UCP).

Your certification status with the NJ UCP will remain in effect as long as your firm continues to meet all the DBE certification eligibility requirements established by Title 49 CFR Part 26. However, on an annual basis, you must submit an affidavit, along with a personal financial statement, affirming that there have been no changes within your firm that would affect your eligibility for certification as a DBE. These documents must be completed, signed and returned to our office before your anniversary date in order to continue your firm's eligibility as a DBE.

Additionally, if at any time during the year there is a change in your firm, it is your obligation to notify this agency, in writing, within (30) days. Changes include, but are not limited to, ownership and/or control, officers, directors, management, key personnel, scope of work performed, daily operations, ongoing business relationships with other firms or individuals, or the physical location of your firm. Failure to do so may result in the removal of your DBE certification in accordance with 49 CFR Part 26, Section 26.83(j) of the Federal DOT Regulation.

Your firm will be listed in New Jersey's UCP DBE Directory which is located at www.njucp.net. Prime contractors and consultants can verify your firm's DBE certification status and identify the work area(s) for which the firm is DBE eligible through this Directory. The table below lists the North American Industry Classification System (NAICS) Code(s) and description(s) that have been assigned to your firm in accordance with the services(s) your firm render(s):
