Dear Mr. Collier:

The Delaware River Port Authority (DRPA) does not perform minority business enterprise (MBE) and women business enterprise (WBE) certifications. We do, however, accept those M/W/DBE certifications that have been performed by various federal, state and local agencies. Please be advised that the DRPA recognizes and accepts DBE/MBE certification issued by the Pennsylvania Unified Certified Program – State of New York Department of Transportation. The DRPA will add your firm's name and its DBE/MBE certification status to the vendor databases maintained by the DRPA's Office of Business Development & Equal Opportunity and the Purchasing Department.

If you propose to provide products or services different from those listed on the Vendor Profile Form you recently completed, or if your address/telephone changes, it is your responsibility to notify the Purchasing Office, in writing. Be advised that if the ownership and control of your firm changes, it is your responsibility to notify the Office of Business Development & Equal Opportunity, in writing.

If you have any questions, please do not hesitate to call this office at (856) 968-2270.

Very truly yours,

  
Kathy Coyle Haas

Colliera 10182010

*DRPA is an equal opportunity employer*
